

# FHCC Spring 2024 "Open House" Bull Sale Update Sheet

## How the sale works

This "Open House" format is designed to be low pressure and straight forward.

Bulls are penned and pre-priced in \$3,500, \$4,500 and \$5,500 pens. They will be on display just outside the sale barn and will sell via video. We encourage you to evaluate the bulls before the sale starts and to sign-up on the white board for any bulls that are of interest to you. We will use the sign-up board to adjust the sale order if needed. Our goal is to offer the bulls with the most interest first so that if you miss out on your first choice, you will have the opportunity to select alternative bulls later in the sale.

As each bull sells, anyone interested in the bull at the base price may raise their buyer number. If only one person is interested in the bull, the bull will sell at the base price to that buyer. If two or more parties are interested in the bull, we will have a low pressure bid-off raising the price in \$100-250 increments until one bidder is left. In the event of a tie in the bid-off process, the bull sells to the buyer who signed up first for that bull.

## Preliminary Sale Order

This preliminary sale order may be adjusted depending on sale day interest and sign ups. We will attempt to sell the bulls with the most buyer interest higher in the sale order.
